

## **COUNSELING PAYMENT INFORMATION**

The initial intake session will last approximately two hours and is billed at a total rate of \$90.

Additional sessions will last approximately one hour. Life In Abundance uses a sliding fee scale to determine the amount an individual, couple, or family group pays for a counseling session. In addition to the cost of each session, there is a one-time \$50 fee for each Temperament Assessment (APS) that is completed.

---

The following information is only used to calculate the amount to be paid for counseling. If you do not wish to submit the following income information, the cost will be \$75 per session.
